Title: Method for Creating a Two-Sided Picture
Examiner/GAU Daniel J. Colilla / 2854

Sunset Beach, 2005 Aug 30, Tue

Amendment A

Assistant Commissioner for Patents
Washington, District of Columbia 20231

Sir:

In response to the Office Action mailed 2005 June 13, please amend the above application as follows:

Claims: Cancel all claims of record and substitute new claims 37 to 40 as follows:

37. A method for creating one 2-sided picture from a first single sided picture and a second single sided picture, comprising the steps of:
 - a. removing the backgrounds from both said single sided pictures leaving just the objects to be printed, and
 - b. modifying the shapes of one or both said objects, that have had said backgrounds removed, in order to make said objects congruent, such that said shape modifications result in minimal distortion of the images, and
